

We are pleased to announce the start of our flu shot clinics for established patients of SFM. The first two will be held from 8 AM to 12 PM on Saturday September 19<sup>th</sup> and September 26<sup>th</sup>. Vaccinations will be given outside of the office in a safe manner.

Due to expected high volumes, we ask you to arrive at the designated time slots depending on the first letter of your last name.

**A-M: 8 AM-10 AM**

**N-Z: 10 AM-12PM**

When you enter the parking lot, a staff member will direct you to a parking space. You will stay in your car until you are asked to stand in line outside the office. Everyone should take appropriate precautions by wearing face coverings and maintaining social distance while waiting.

You will need to fill out paperwork prior to receiving your vaccine. To expedite the process, you can print the forms from our website ([www.southernfamilymed.com](http://www.southernfamilymed.com)). From our home page, go to the following links: "Click Here for Patient Documents" and "ABN Combined Flu High dose Flublok Reg Form and Questionnaire".

We will provide copies of these forms to those unable to complete them ahead of time.

Be sure to have your insurance card with you.

Dress appropriately to receive the vaccine.

If you have an upcoming appointment, you may wait to receive your flu shot in the office at that time. However, we cannot guarantee we will have the vaccine at the time of your visit.

**DO NOT** come to the flu clinic if you have fever, cough, chest pain, shortness of breath, nausea, vomiting, diarrhea or any other symptom of illness.

We are excited to provide flu shots in a safe manner this year. We ask for your patience as we navigate through this new experience. If you have any questions, concerns, or comments, you can send us a portal message or email the office at: [info@southernfamilymed.com](mailto:info@southernfamilymed.com) (*please note we cannot guarantee privacy or security with email communication*).

Clinics may have to be cancelled due to inclement weather. Real time updates will be posted on Facebook.
